“This is my Body” - Taken, Blessed, Broken, Given
Moving up. Each year during its class retreat, the 7th graders select the classmates they feel best represent the four Student Learning Expectations. This year’s honorees are Therese Lewis, Active Person of Faith, Hattie Leonard, Lifelong Learner, Kellen Shaffer, Globally Aware Person, and Henri Downer and Hugues Bindel, Well Balanced Persons. Congratulations to the whole class for their thoughtful selections. We look forward to their continued leadership as 8th graders.

Moving on. In addition to saying good-bye to our accomplished eighth graders, we are also saying “Godspeed” to two of our talented staff. Mrs. Shannon Schuler who for 16 years has filled roles of 6th, 7th and 8th grade homeroom teacher and most recently as the school technology coordinator. She is taking this wealth of experience into the field of educational consulting. Mrs. Sara Stewart, after two years preparing the 5th graders for middle school, will be redirecting her talents in English Language Learning to lucky Seattle Public Schools students.

Moving more slowly. This is our annual end-of-the-school year appeal for help for Martha’s Workers. They can always use help of course, but there is a particular need during school vacation. Parents and students are not as available but the need does not let up. A few extra helpers—ladies, gents and 8th graders—keep the job to about an hour. No on-going commitment, although you might find you like the camaraderie. Just drop by the Assembly Room, 8:30 any Monday. Also on-going is the need for Costco-size tins of tuna, jars of mayonnaise, peanut butter and jelly which can be left in the basket outside the Assembly Room.

Always on the move with love for our well-being, here or in heaven – our fathers.

Happy Father’s Day

Not moving. Me. See you in September.

Offertory Cards Again This Weekend
A New Way to Demonstrate Your Stewardship of Your Talents, Time and Support of Others!
Again this weekend the offertory cards are available at all the church entrances (by the name tags) and at the end of the church pews (along with pencils). Everyone is invited to participate - from the young to the old! Please take one and fill it out in a way that is meaningful to you. Then simply place it in the offertory baskets as they pass by you. The cards provide a way for all members of our community – young and old – to write or draw ways they have shared their stewardship of gifts (talents), time and support during the past week, and to offer those things joyfully back to God.

With great pleasure this event is sponsored by both the Liturgy and the Stewardship Commissions.

In Appreciation of Ron & Fr. Tony
On the weekend of June 29 & 30, we will celebrate the gift that both Ron Ryan and Fr. Tony Bawyn have been for our parish. Please take the time to write a note in our special book that you will find on the round table in the narthex. In addition, all are invited to contribute to our community’s thank-you gifts of a new laptop for Fr. Tony and for a donation to Catholic Community Services on behalf of Ron. You can drop checks payable to St. Anne Parish at our parish office or in a basket in the narthex after Masses. Please put Ron or Fr. Tony in the “Memo” line. Note: You can make the donation for Ron on our parish website. Go to “Online Giving” on our homepage and find “Ron/Catholic Community Services” on our giving page. Electronic Giving Cards at the Entrances
Part of the gifts given during the Offertory of our Mass are the financial contributions from our practice of stewardship of treasure. Many of you do this on-line by giving electronically. We wish to acknowledge your generosity and help you to participate more fully in this part of our Mass. You can pick up Electronic Giving Cards at the entrance to our church. We ask that you drop these in the offering basket as the sign of your commitment to financially support the mission of St. Anne Parish.

Church Address
When ordering taxi, ride-share, Access or other transport from St. Anne Church, give your pick-up address as “100 W. Lee St.” Using the parish office address of 1411 1st Ave. W. will result in the driver going to the wrong place.
